

RECOGNIZING GREAT SERVICE

The Simcoe Reformer, in collaboration with Norfolk County's Tourism & Economic Development office, is awarding monthly South Coast Super Host Awards to front-line customer service workers who have demonstrated excellent hospitality and served as ambassadors for Norfolk County.

Norfolk County supports this ongoing recognition of the importance of excellent customer service, in light of the substantial economic impact generated by the tourism industry in our communities.

Each year, about \$40 million in spending is invested in Norfolk County by tourists and other visitors. The tourism industry employs more than 500 people and supports hundreds of businesses, large and small, some of them family-owned for generations.

As part of the South Coast Super Host Awards, each month the Simcoe Reformer will publish a photo and story about the latest award winner. Winners will be selected from nominations by the general public by a committee of representatives of the Simcoe Reformer and Norfolk County. Winners will receive a basket of goodies, including Norfolk County food products and other gifts. At the annual Tourism & Agriculture Symposium, organized by Norfolk County, one of the South Coast Super Hosts will be chosen as the Norfolk County Tourism Ambassador of the Year.

South Coast SUPER HOST Award

Nominee's Name: _____

Place of Work: _____

Town: _____

What Type of Work Does the Nominee Do?

Why is this Nominee worthy of the South Coast Super Host Award? _____
